

**§ 403.11 What are the principal responsibilities of the State board?**

The principal responsibilities of the State board must include—

(a) The coordination of the development, submission, and implementation of the State plan;

(b) The evaluation of the programs, services, and activities assisted under the Act, as required by §§ 403.32 (a)(7) and (b)(9) and 403.201 through 403.204;

(c) The development, in consultation with the State council on vocational education, of the State plan and its submission to the Secretary, as required by §§ 403.30 through 403.34;

(d) Consultation with the State council on vocational education and other appropriate agencies, groups, and individuals, including business, industry, and labor, involved in the planning, administration, evaluation, and coordination of programs funded under the Act;

(e) Convening and meeting as a State board, consistent with applicable State law and procedure, when the State board determines it is necessary to meet to carry out its functions under the Act, but not less than four times annually; and

(f) The adoption of those procedures the State board considers necessary to implement State level coordination with the State job training coordinating council in order to encourage cooperation between programs under the Act and programs under the Job Training Partnership Act (JTPA) (29 U.S.C. 1501 *et seq.*).

(Authority: 20 U.S.C. 2321(a))

**§ 403.12 What are the additional responsibilities of the State board?**

(a) The State board shall make available to each private industry council established within the State under section 102 of the JTPA a current listing of all programs assisted under the Act.

(b)(1) The State board, in consultation with the State council on vocational education established under § 403.17, shall establish a limited number of (but at least two) technical committees to advise the State council and the State board on the development of model curricula to address State labor market needs. The technical committees shall develop an inventory of

skills that may be used by the State board to define state-of-the-art model curricula. This inventory must identify the type and level of knowledge and skills needed for entry, retention, and advancement in occupational areas taught in the State.

(2) The State board shall establish procedures that are consistent with the purposes of the Act for membership, operation, and duration of the technical committees. Their membership must be composed of representatives of—

(i) Employers from any relevant industry or occupation for which the committee is established;

(ii) Trade or professional organizations representing any relevant occupations; and

(iii) Organized labor, if appropriate.

(c) Except for the functions described in § 403.11, the State board may delegate any of its other administrative, operational, or supervisory responsibilities, in whole or in part, to one or more appropriate State agencies.

(d) The State board shall carry out the responsibilities described in §§ 403.13 through 403.18 and 403.200 through 403.208.

(Approved by the Office of Management and Budget under Control No. 1830–0030)

(Authority: 20 U.S.C. 2321(a)(1), (f), (g))

**§ 403.13 What are the personnel requirements regarding the elimination of sex discrimination and sex stereotyping?**

(a) A State that desires to participate in the State Vocational and Applied Technology Education Program shall assign one individual, within the appropriate agency established or designated by the State board under § 403.12(c), to administer vocational education programs within the State, to work full-time to assist the State board to fulfill the purposes of the Act by—

(1) Administering the program of vocational education for single parents, displaced homemakers, and single pregnant women described in § 403.81, and the sex equity program described in § 403.91;

(2) Gathering, analyzing, and disseminating data on the—
